

**Harlingen High School
40 Something Reunion ~
Surviving the Test of Time!**

July 31, 2009 - August 01, 2009

Dear Classmates,

So soon? Why, you ask? We like to party and many Class of '66 members who missed our 40th Reunion can't wait until 2011! So many classmates...so little time! With a proud stroke of genius (and viable excuse), the Class of 1966 will host a multi-class reunion, focusing on Harlingen High School Classes of 1962, 1963, 1964, 1965, 1966, 1967, and 1968 to be held on South Padre Island.

You are invited to gather for a reunion celebrating an insignificant anniversary year ~ 40 Something! Our theme is "Surviving the Test of Time!" focusing on Life's Journey, Sharing Ourselves, Chasing Yesterday, and Renewing Old Friendships and Acquaintances...Together...with Truth, Destiny, Friendship, Love, Richness, and Greatness!

We are great!

We are rich!

We're the Class of '66!

Our class motto is not a goal we were bestowed with, measured in money or fame. It's a presence of how we perceive ourselves—recognizing and valuing what we have, whether it's family, work, friends, or fortune. If you haven't attended one of our events, don't come expecting the reunion stigma and pitfalls that are portrayed on TV and in the movies. ***We don't weigh one person's experience against another's.*** Come and have fun, visit with old friends, and make new ones—Share your greatness and riches with the rest of us!

The more things change, the more they remain the same. Our past few events have been held at the Radisson on South Padre Island. The location is the same, but the name has changed. The Radisson is now named Isla Grand Beach Resort and has undergone a multi-million dollar renovation following hurricane Dolly.

There are two forms that follow. The **Registration Form** provides us with information to be included in a distributed booklet. The **Sign Up Form** lists which events you plan to participate in and the prices that include food for the events (a cash bar for your pleasure), paper materials, printings, mailings, entertainment, and other things to ensure you have a fabulous time. Don't allow the price to stand in the way of attending. Registration prices after the deadline will be higher.

To be included in the distributed booklet, please complete the **Registration Form** in ink, filling it out neatly, and return it with your **photo** (photo will be returned, if requested), even if you **CANNOT ATTEND**. Digital photos will be accepted via email.

Complete the **Sign Up Form** and return it with your **Registration Form**, **photo**, and **check** payable to "HHS Class Reunion". Would you like to donate a door prize? If so, please list an amount where indicated on the **Sign Up Form** or list an item in the Comments box.

Don't delay. Sign up now! **Registration is due by June 20** but would be appreciated EARLIER if POSSIBLE. The Isla Grand Beach Resort requires a deposit by **April 1**. For registrations after June 20, the price will be higher. Members from other classes may join us, if they wish.

Arrangements have been made to hold a limited number of rooms at the Isla Grand Beach Resort if hotel reservations are made before midnight on **June 20**. Ask for a room with the "HHS 40 Something Reunion" group to get one of these reserved rooms.

The bad news is we will be meeting during peak vacation time, so the room rates are expensive. The good news is Isla Grand Beach Resort will give us a discount. Pool Garden View rooms that are normally \$260/night for two double beds or a king are discounted to \$215; Beach View rooms are slightly higher. A 2-bedroom condo is reduced from \$490/night to \$330. All rooms are subject to a 13.5% tax. Other accommodations are available elsewhere on the island and in Port Isabel.

If you know the whereabouts of any Missing classmates, send their complete information via e-mail, phone call, or mail to the Contact address listed above. Let others know about our plans. Please check the lists of Missing classmates online and for current Reunion updates:
